History

- Wildlife -

Mountains

Quality Bed & Breakfast and Hostel Accommodation in Assynt.

Inchnadamph Lodge is a Grade B listed former Manse set at the very heart of Assynt. Inchnadamph is ideally placed for easy access to the whole of the parish - the mountains are right on our doorstep, and the sandy beaches along the coast and the fishing village of Lochinver are just 20 minutes drive away. In addition to excellent low level and mountain walks, wonderful beaches and abundant wildlife, there are plenty of trout fly fishing possibilities in the numerous lochs and lochans in the area.

Private - Twin, Triple, Double & Family Rooms.

Our smaller twin, double and family rooms are all fitted out to a good quality Guest House standard. Located on the second floor the rooms have either one double bed, a double & one or two single beds, or two or three single beds. They are all fitted with wash-hand basins, and towels are provided. These rooms are ideal for families, couples or group leaders who wish to have a higher level of privacy than in the dormitories. A toilet, shower and bath are available on this floor.

Shared Hostel Dormitories

On the ground and first floor of the Lodge we have six dormitory rooms, which sleep 4, 7 or a maximum of 8 people. The solid pine bunks are full single bed size, and are fitted with comfortable sprung mattresses. The rooms have ample storage space in under bed boxes and shelving. All bedding and linen is provided. On this floor there are separate male & female washrooms and a large shower room with hot powerful showers.

General - Cooking, eating, relaxing & drying..

We have a large well equipped self-catering kitchen (ovens, hobs & microwaves), a dining room that seats over 40 people, a separate lounge (with real fire stove) & an effective drying room. Add to this our excellent hot powerful showers & full central heating and you can be assured of a comfortable and relaxing stay. There is TV lounge & games room in our Annex - 100m from the Lodge. Our on-site shop stocks a good range of snacks, soft drinks, food (including frozen meals), and a selection of beers & wines. Our facilities are generally available to all guests at all times - with no curfews or restrictions.

All our rooms have excellent views of the surrounding hills & mountains (weather permitting!).

A self-service breakfast of cereals, fresh coffee, tea, fruit juices, toast & jam is included for all our guests.

Travel to Inchnadamph is possible by regular public transport - please call us for details.

We are open from March to November - but the Lodge is available for group hire Dec to Feb. B&B from £20, Hostel & Breakfast from £14. We also have a self-catering cottage available daily/weekly.
