

A photograph of a forest landscape. In the foreground, a large, dark, moss-covered rock sits on the left. A stone wall, constructed from irregular stones, runs horizontally across the middle ground. To the left of the wall is a steep, eroded bank of reddish-brown soil with exposed tree roots. The background is a dense forest of tall, thin trees with bare branches, suggesting a late autumn or winter setting. A small yellow sticky note is attached to the left side of the image.
